Our Raison D'etre

Our reason for being stems from our idea of perfect joy; a beautiful place tucked in the beautiful scenery of goa, an experience to be cherished, away from the chaos of the city.

Our Story

Setting out from Delhi, our journey to create the fine living experience led us to the tranquil locales of Goa.

Our Promise

Abundant in aesthetics and delightful spaces, in our homes you create moments and encapsulate memories.

Our Vision

We understand that a home is an asset of emotional value, and Zaavi envisions to give you a legacy that can be passed on from one generation to the other.

Sun dappled street and the pristine symmetry of the homes make for an excellent view

A large porch to enjoy a cup of tea, a spacious balcony where there is always spring

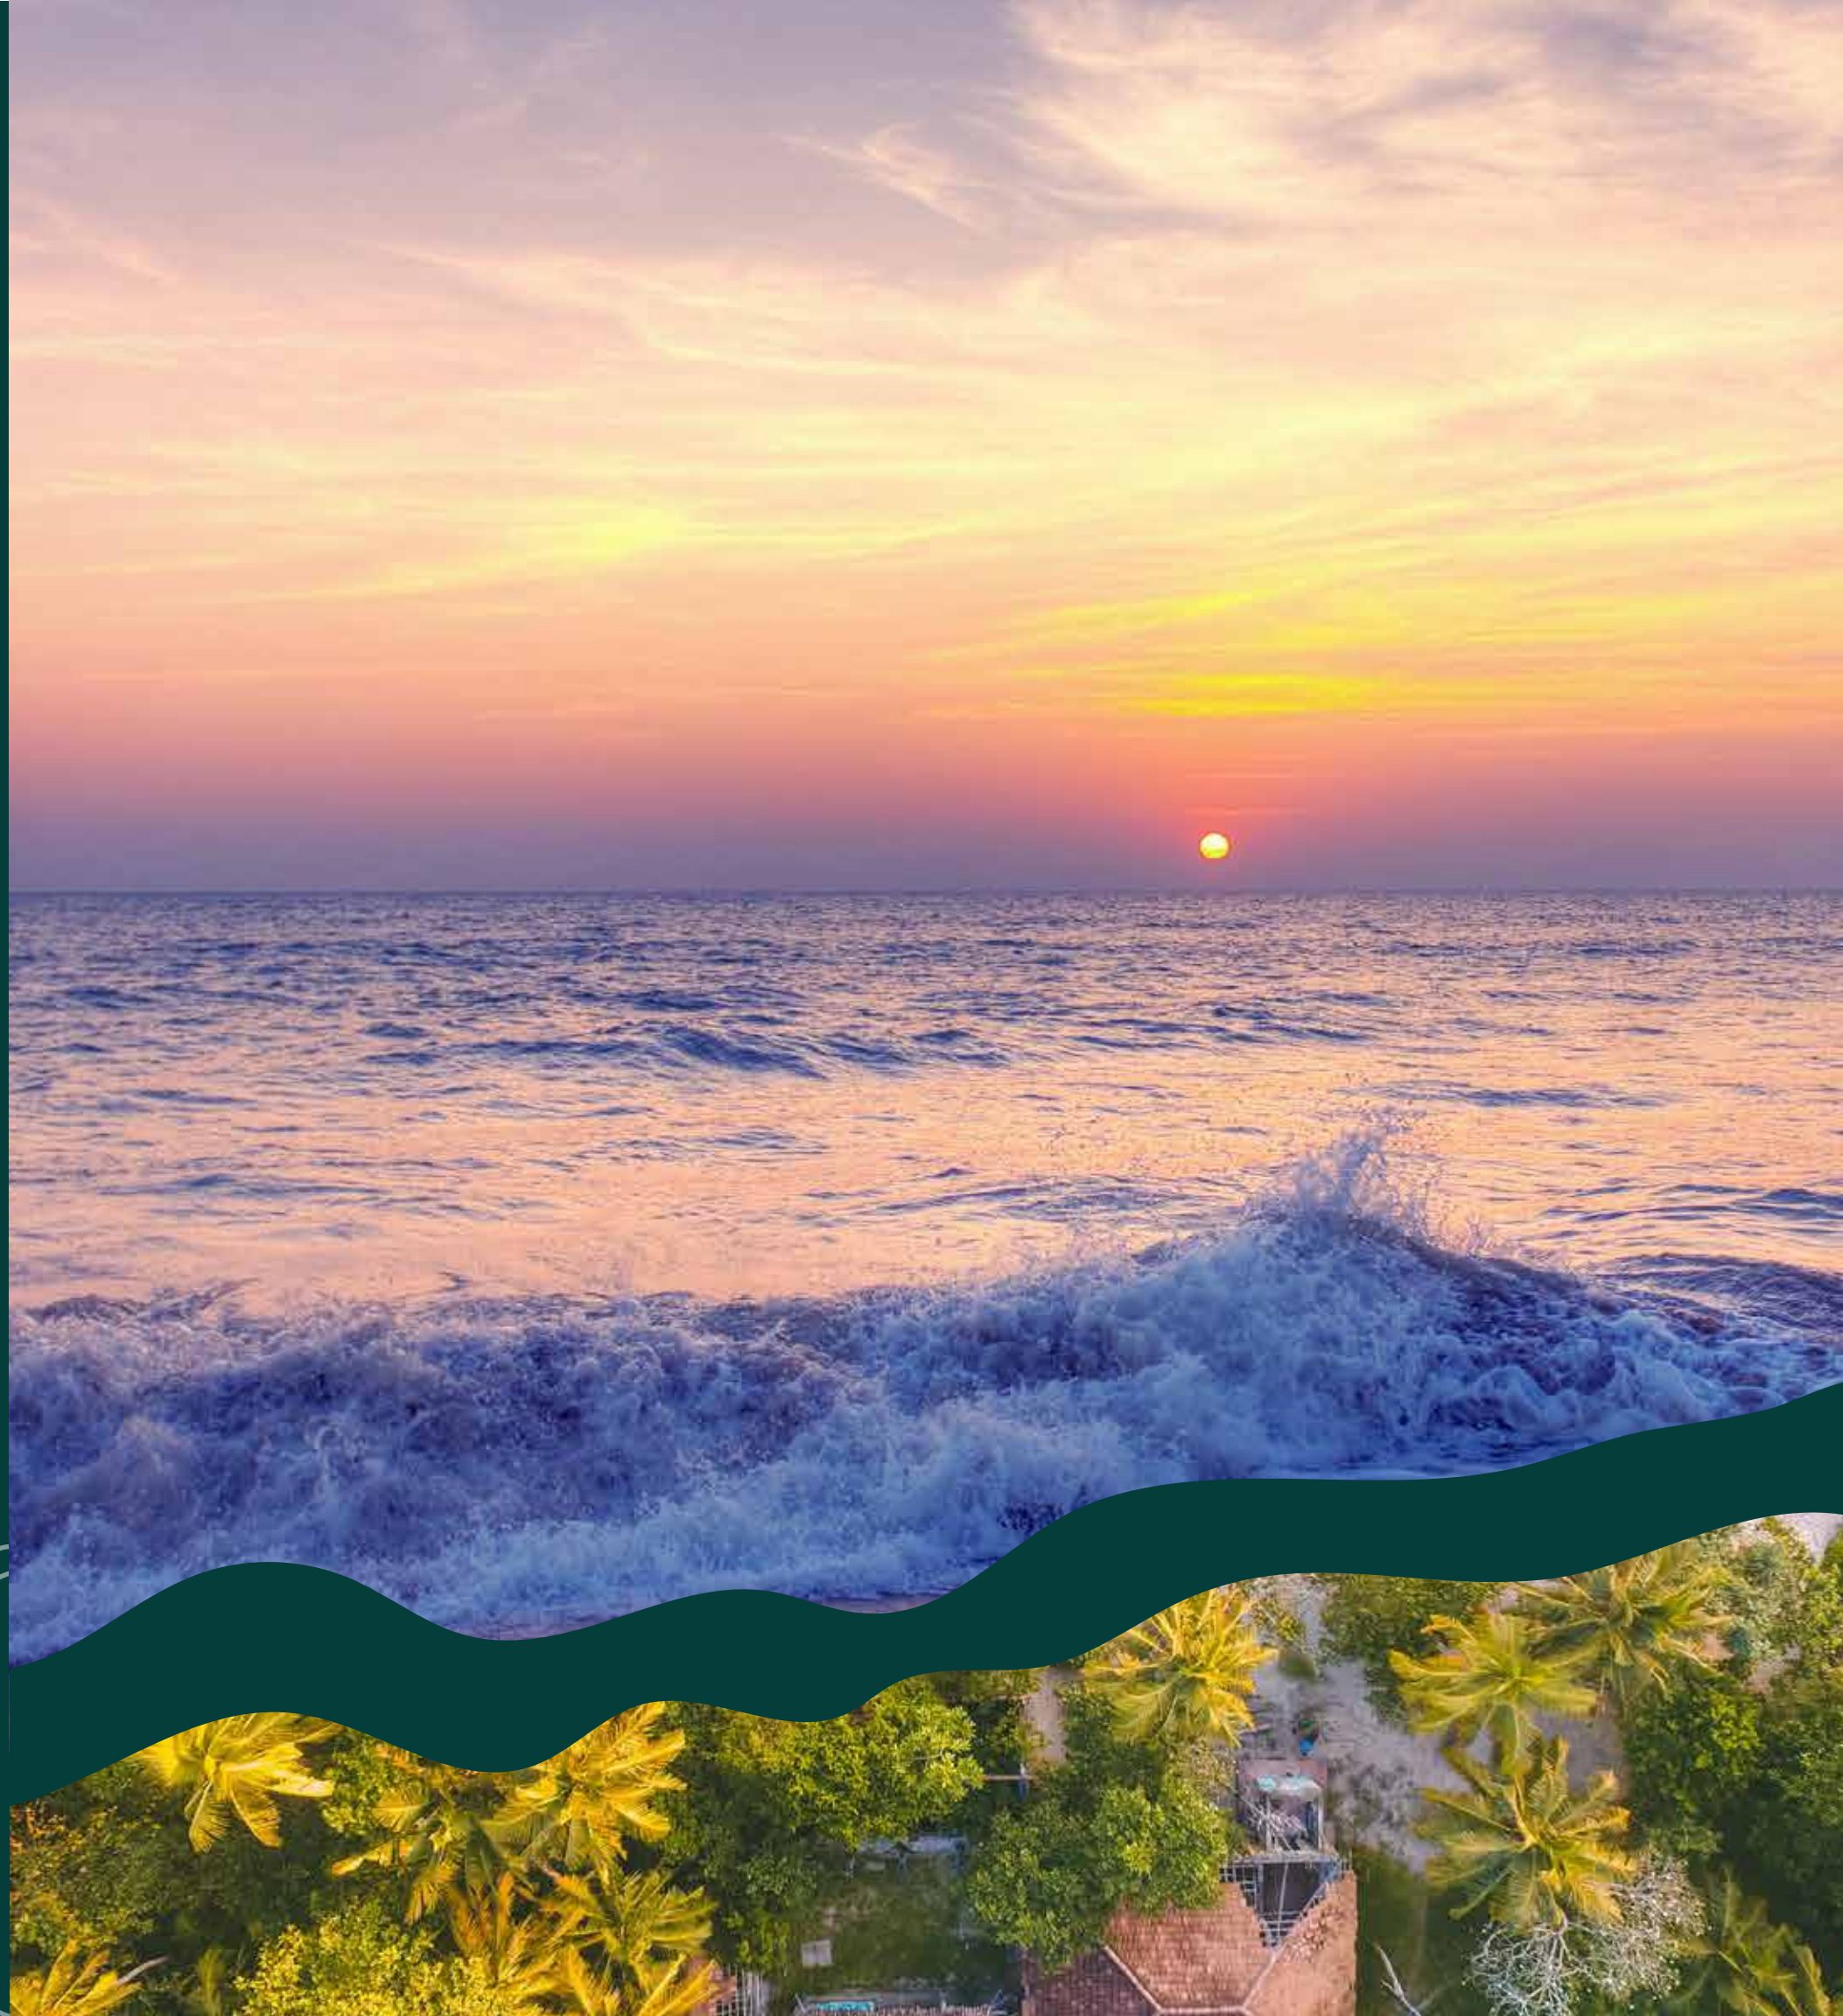

Reminiscent of an era bygone, our homes blend elements from a typical Portugese house with a contemporary design

centre of lush flora define peace**

Goa Living

Echoes of Portuguese history surround the locales of Goa, a state as rich in history and culture as in profuse natural beauty. One doesn't seek beauty when one comes to Goa, it is a part of the place's identity; in colorful blossoms, quaint churches, ornate temples, wildlife sanctuaries and arabian sea. The popular guidebook suggests the essential experience of lazing around in beaches which one must do along with the eclectic experience of getting lost in the state's marvelous architecture, peaceful trekking trails, alluring cathedrals and nature lovers' delight; bird and wildlife sanctuaries.
